

## Issue report

<b>Id:</b>	0002
<b>Title:</b>	Missing articles thumbnails on the main page
<b>Tester:</b>	Michał Gajda
<b>Time:</b>	07-15-2020, 11:20 a.m.
<b>Type:</b>	Visual
<b>Frequency:</b>	Every time
<b>Priority:</b>	High
<b>Environment:</b>	Xiaomi Redmi Note 7 / Android 9.0 / Chrome 84.0.4147.89
<b>Action performed:</b>	
	1. Open the Onet application
	2. Scroll down the main page to „Najważniejsze” section
<b>Expected result:</b>	Miniatures of all articles on the main page should be displayed correctly.
<b>Actual result:</b>	Thumbnails of all articles in „Najważniejsze” section are missing. If user opens any article and goes back, thumbnails will display correctly. Issue occurs when restarting the application.
<b>Exact URL:</b>	-
