Title:	Missing articles thumbnails on the main page
Tester:	Michał Gajda
Time:	07-15-2020, 11:20 a.m.
Type:	Visual
Frequency:	Every time
Priority:	High
Environment:	Windows 7 64-bit/ Chrome 83.0.4103.116 (Official) (64-bit)
Action performed:	
	1. Open the Onet application
	2. Scroll down the main page to „Najważniejsze” section
Expected result:	Miniatures of all articles on the main page should be displayed correctly.
Actual result:	Thumbnails of all articles in „Najważniejsze” section are missing. If user opens any article and goes back, thumbnails will display correctly. Issue occurs when restarting the application.
