

## Issue report

<b>Id:</b>	0004
<b>Title:</b>	App is wrongly displayed in split-screen mode
<b>Tester:</b>	Michał Gajda
<b>Time:</b>	07-16-2020, 7:52 p.m.
<b>Type:</b>	Functional
<b>Frequency:</b>	Every time
<b>Priority:</b>	High
<b>Environment:</b>	Xiaomi Redmi Note 7 / Android 9.0
<b>Action performed:</b>	
	1. Open the app
	2. Tap on system home button at the bottom of the screen
	3. Open any other app installed on your device (i.e. Chrome)
	4. Tap on system switch apps button
	5. Tap on „Split screen” button
	6. Open the ING app on one screen and other app on second
	7. Try to scroll up down the ING app screen
	8. Look at the app icons and links in a footer
<b>Expected result:</b>	The app should be displayed correctly in split-screen mode. The screen should be able to scroll up and down.
<b>Actual result:</b>	The application buttons are displayed on top of each other. Footer links are displayed on other elements of the home page. It is not possible to scroll up or down in the application view
